#### **HRSA's Bureau of Health Professions Advanced Education Nursing Traineeship Program**

AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: Notice.

SUMMARY: The Bureau of Health Professions (BHP) is announcing a change to its Advanced Education Nursing Traineeship (AENT) program. Effective fiscal year (FY) 2014, AENT support for part-time students (trainees) will be limited to those students (trainees) who are enrolled within the last 12 months of study for their program. This change will apply to new part-time students (trainees) and will not affect part-time students (trainees) funded prior to FY 2014, who will continue to be supported throughout their advanced education primary care training. Support for full-time students (trainees) will continue without any changes. This change is being implemented to support part-time students (trainees) nearing graduation, in an effort to expeditiously meet the growing demand for primary care nurse practitioners and nurse midwives.
